

## PL44MPS

### Polished Stainless 2 Roll Corematic Paper Dispenser

Unique design and styling enables this dispenser to fit in small areas without taking up valuable space.

Fitted with a slim line lock, this dispenser enables the storage of two corematic toilet paper rolls. As the first roll is used up, the core splits allowing the second roll to fall effortlessly into place.

The dispenser is designed to hold all variants of corematic paper that's currently available in the market place.

Made in a highly polished stainless steel finish.
